Dear Friend,

I hope you and your loved ones are staying safe.

While four decades may separate us in age, Christie DeJoseph and I have much in common: we are both dedicated to public service and our families. When I was a member of the New York State Assembly from 1981 to 2001, I had the pleasure of forging a lasting friendship with Christie's late uncle, Bernie DeJoseph, the Business Manager of the Operating Engineers, Local 545. Through Bernie, I met his brother, the Honorable Brian DeJoseph, who currently serves as an Appellate Court justice. I know Christie upholds the values of her family and her community with compassion, integrity, and fairness.

I am honored to endorse Christie DeJoseph, a home-grown resident of Onondaga County and a fellow Syracuse University alum, for Onondaga County Family Court Judge.

Christie has demonstrated excellence in all areas of the law. In her current role as Senior Assistant Corporation Counsel for the City of Syracuse, she has earned a reputation as a hard-working, dedicated and fair lawyer. I have no doubt she will bring these skills to the bench. As a judge, I know she will listen carefully and make thoughtful decisions on behalf of our children, their families and our broader community.

A community advocate, Christie has lent her expertise to those in need at the Salvation Army Women's Shelter through the Volunteer Lawyers Project. She cares that our children and families are treated fairly under the law. Christie is also invested in the future of our community as a parent to twins, another distinction we are both honored to share. She possesses the right temperament to serve in the best interest of our families.

Please join me in voting for Christie DeJoseph for Family Court Judge this November.

Thank you for considering my opinion on this matter of great importance to our community
